

Industry Contributions to GDP Growth

Decomposing monthly GDP growth: Top industry contributors from March to April 2026

Notes: Total is the official all-industries growth; "Other" combines the remaining industries and the chained-dollar aggregation residual, so bars sum exactly to the total.
Source: Statistics Canada, Table 36-10-0434-01 (seasonally adjusted, chained 2017 dollars). Retrieved 06 Jul 2026.
